

"EGG-citing Day at the Zoo"

Ciera!

Thank you for your generous contributions toward Menominee Park Zoo's 1st annual "EGG-citing Day at the Zoo!"

The event was a huge success, bringing more than 1,000 children and their families in attendance. We received many positive comments and your generosity, time, and efforts made "EGG-citing Day at the Zoo" possible!

Chiemsee Castle Childcare is a great example of businesses, organization, and individuals coming together and contributing to the quality of life for the Oshkosh area community and we look forward to working with you in the future!

Thank you again,

Menominee Park Staff
